VIVORA Genēon Line

The core skincare line of VIVORA, formulated with fermented RG3 developed through research technology from the Gyeongsangbuk-do Agricultural Research & Extension Services, along with PDRN (Sodium DNA) and an 11-type multi-peptide complex.

This 3-step routine—Mist, Ampoule, and Cream—offers a balanced skincare solution for hydration, skin conditioning, and elasticity care.

VIVORA Genēon Line

1. VIVORA Genēon RG3 Revive Skin Mist

A fine mist spray that delivers instant hydration to skin prone to dryness, helping maintain a comfortable and balanced skin condition.

With its lightweight texture, it can be used effortlessly before and after makeup, offering daily hydration and skin conditioning care anytime, anywhere.

Key Benefits

- Fine mist spray for quick hydration
- Lightweight, refreshing daily moisture care
- Comfortable formula designed for skin conditioning

100ml / 3.38 fl.oz.

Retail Price: KRW 80,000

2. VIVORA Genēon RG3 Revive Ampoule

A high-concentration ampoule infused with a multi-peptide complex, delivering hydration and nourishment to help maintain firmer, healthier-looking skin.

With its smooth, comfortable texture that absorbs effortlessly, it can be used daily without burden, offering a focused routine for elasticity care.

Key Benefits

- Intensive care with a high-concentration multi-peptide complex
- Helps support skin conditioning and elasticity
- Smooth, comfortable texture suitable for daily use

30ml / 1.01 fl.oz.

Retail Price: KRW 50,000

VIVORA Genēon Line

3. VIVORA Genēon RG3 Revive Cream

A nourishing cream with a smooth, skin-adhering texture forms a moisture barrier to help maintain hydrated and healthy-looking skin. Designed for daily use, it provides intensive hydration and supports the skin barrier.

Its soft and comfortable texture allows for effortless application, while a subtle hint of bergamot oil adds a refined and soothing sensory experience.

Key Benefits

- Intensive hydration and skin barrier care
- Helps support skin conditioning and elasticity
- Smooth, comfortable nourishing cream texture

100ml / 3.38 fl.oz.

Retail Price: KRW 120,000

4. VIVORA Genēon RG3 Revive Sunscreen SPF 50 / PA+++

A daily sun care formulated with a hybrid UV protection system, helping protect the skin from everyday sun exposure while providing a comfortable wearing experience.

With its lightweight and refreshing texture, it can be used effortlessly every day. It adheres smoothly to the skin, making it suitable for use before makeup, while offering a balanced approach to hydration and skin conditioning.

Key Benefits

- Hybrid UV protection care
- Helps support hydration and skin conditioning
- Lightweight and refreshing daily texture

50ml / 1.69 fl.oz.

Retail Price: KRW 38,000

VIVORA JOSEON Line

Reinterpreting the values of restrained beauty and balance in a modern way, it expresses a refined Korean sensibility through designs infused with the elegance of the Joseon era.

Built on the harmony of tradition and skin science, VIVORA JOSEON presents a new vision of skincare.

VIVORA JOSEON Line

VIVORA JOSEON Line

2. VIVORA JOSEON Gold Capsule Ampoule

A premium all-in-one ampoule featuring a triple active system of gold threads, capsule beads, and rose cell-derived exosome-like ingredients.

Delivering hydration, skin conditioning, and radiance care in one step, it helps maintain a dewy and healthy-looking complexion.

Key Benefits

- All-in-one care for hydration, radiance, and skin conditioning
- Helps promote a clear and healthy-looking glow
- Premium ampoule texture with a comfortable feel

50ml / 1.69 fl.oz.

Retail Price: KRW 50,000

3.VIVORA JOSEON Clear Care Mask

A daily intensive care mask designed to address both skin tone and barrier care, offering dual care for a clear and balanced complexion.

Formulated with Tranexamic Acid, Niacinamide, Glutathione, and moisturizing ingredients, it helps support skin conditioning, hydration, and skin barrier care.

Key Benefits

- Dual care for skin tone and barrier support
- Helps provide hydration and skin conditioning
- Daily mask care with a high-moisture essence formula

26 g / 0.92 oz (1 sheet)

Retail Price: KRW 35,000 (6 pcs)

VIVORA JOSEON Line

4.VIVORA JOSEON Vital Mask

A daily anti-aging mask designed to support hydration, elasticity, and overall skin conditioning, offering intensive moisture and firming care in one step.

Formulated with PDRN, Centella callus-derived extracellular vesicles (exosome-like ingredients), and Dragon's Blood extract, it helps support skin barrier care, soothing, and elasticity.

Key Benefits

- Intensive anti-aging care
- Helps support skin barrier and soothing care
- High-moisture essence mask

26 g / 0.92 oz (1 sheet)

Retail Price: KRW 35,000 (6 pcs)
